STATUS CHECK

Date: June 20, 2011

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

An amendment was filed in this application on December 22, 2010. After this, a sequence listing was filed, on April 18, 2011.

As no action has been received six months after a substantive response was filed, applicants ask that an action issue in response to their filings, as the application has been pending for quite some time.

Respectfully submitted,

By 
Norman D. Hanson, Reg. No. 30,946
